Dear Applicant:

Thank you for your interest in the Chippewa County Homeowner Rehabilitation Program. Enclosed is the application. Please fill in all information requested on page two and three. Do not sign or date the application until your office appointment. Other items needed with the application are the following:

- Proof of income – current pay stubs; Self-employed persons must furnish Income Tax information for the last two years; Social Security recipients – current monthly amounts.
- Proof of ownership – deed, purchase agreement, etc.
- Property tax receipts for the last two years.
- Proof of homeowners insurance.
- List of repairs to be completed.

NOTE: Lead Paint Regulations. If your home was built before 1978 and the rehabilitation activities will disturb a painted surface, a lead inspection will need to be done to determine if lead paint exists in the home.

This program is governed by family size and income. Also, the home must be owner occupied. Rental units are not eligible. Mobile homes are eligible provided they are anchored with the axles and tongue removed. A guideline sheet will be provided for mobile home owners.

You may receive information on further program guidelines by calling toll-free 1-800-562-4963, or (906) 440-9338.

When the above items have been completed, please call the Community Action office to begin the process of developing your Job Order Sheet for bidding purposes.

Sincerely,

A handwritten signature in black ink that reads "Eric Rowell".

NOTES:

**Chippewa County CDBG
Non-Diminishing Mortgage Lien**

The Chippewa County Community Development Block Grant Program (CDBG) will provide funds to low- and moderate-income homeowners for needed repairs and rehabilitation of their homes.

These CDBG funds are secured by placing a non-diminishing lien on the owner's property. The lien is a zero interest loan that must be repaid when the homeowner no longer lives in the home. Liens can be assumed by income-eligible heirs who will occupy the residence as their year-round residence with approval by the Grantee and the Michigan State Housing Development Authority (MSHDA).

MSHDA does discourage the subordination of liens resulting from Office of Community Development funded projects. This County does allow the subordination of liens **ONLY** for refinancing of existing debt from mortgage for rate and/or term improvement.

Part (or all) of the CDBG or HOME funds due at the time the property is sold may be forgiven with MSHDA prior approval, if the proceeds from the sale are insufficient to pay all superior liens and the CDBG/HOME lien.

I have read and received a copy of this Non-Diminishing Mortgage Lien statement:
